Dear Prof. Arora,

The University of Malta is pleased to invite you to act as non-visiting external examiner in the Department of Artificial Intelligence for the examination of Mr Liam Attard's MSc Dissertation titled "*Medicine Recommender System*".

Hereunder, kindly find the duties and composition of the Board of Examiners:

- Chairperson: **Dr Charlie Abela**
- Local Examiner 1: **Dr Claudia Borg**
- Local Examiner 2: **Dr Vanessa Camilleri**
- Non- Visiting External Examiner: **Prof. Anuja Arora**
- Supervisors (Observers) - **Dr Joel Azzopardi**

You are kindly requested to **send a signed report** indicating a mark (**out of 100%**) to the chairperson of the board of examiners on charlie.abela@um.edu.mt, by not later than **Friday, 12 May 2023**. The report must be **written on your University letterhead in a formal report format**. In the report, please list any questions for the student and these will be asked during the Viva-Voce examination by the chairperson on your behalf.

Regarding the marking criteria, lecturers within the Department of Artificial Intelligence usually use **the attached document as a guide** (file name: **Assessment Criteria**). The final mark needs to be consistent with the University's General Harmonised Postgraduate Awards. The Harmonised Postgraduate Awards are also being attached for your perusal.

Attached kindly also find a copy of the student's dissertation.

Kindly confirm receipt of this email. Should you require further information, please do not hesitate to contact me.

Thanks and Regards,
