

Dear Professor Arora,

The University of Malta is pleased to invite you to act as a non-visiting external examiner in the Department of Artificial Intelligence for the examination of Mr Brendon Spiteri's M.Sc. dissertation entitled: "Evaluating Fluctuations in Cryptocurrency using Social Media Sentiment"

Hereunder, kindly find the duties and composition of the Board of Examiners:

Chairperson - Professor Matthew Montebello

Examiner 1 - Dr Josef Bajada

Examiner 2 - Dr Ingrid Vella

Non-Visiting External Examiner - Professor Anuja Arora (Deemed University)

Supervisor (Observer) - Dr Joel Azzopardi and Dr Vincent Vella

You are kindly requested to send a signed report indicating a mark (out of 100%) to the chairperson of the board of examiners on matthew.montebello@um.edu.mt by not later than **Friday 20th March 2020**.

Regarding the marking criteria, lecturers within the Department of Artificial Intelligence usually use the attached mark sheet as a guide. However this is not the official one. The final mark (out of 100) needs to be consistent with the University's general 'descriptors' is in regulation 28 of the Harmonised Postgraduate Awards. The Harmonised Postgraduate Awards are also being attached for your perusal.

Attached for your perusal, kindly find a copy of Mr Spiteri's dissertation. Kindly inform me whether you would like a hard copy of the dissertation.

Registrar's office will send you the guidelines and regulations in due course.

Please confirm receipt of this email. Should you require further information, do not hesitate to contact me.

Best Regards,

Francelle
